The Serengeti is a fascinating and spectacular region, which offers an awe-inspiring look at the wildlife of this area. This adventure holiday starts at the Serengeti National Park where you are eye to eye with wild animals such as lions, hippos, elephants and cheetahs.

At the beginning and end of your tour, your accommodation is situated in Arusha at an altitude of approximately 1400 meters. In this area, coffee, wheat and maize are planted and traded, and so this city is very lively and offers an amazing view.

To ensure an unforgettable experience, Adventure Inc. offers experienced and well-trained guides who accompany and advise you during your trip, so that it is possible to enjoy your time in the wilderness.

Another highlight is the Ngorongoro Conservation Area, where you can find one of the oldest eco-systems. There the Great Migration takes place which is an impressive event where all different kinds of wild creatures move south from the northern area.

Africa offers many further breathtaking must-sees like the Lake Manyara, the Massai Mara's land and the Rift Valley.

Africa has it all – great natural sites, wild animals and fascinating cultures. This holiday is a dream come true and many of our customers come back to enjoy it more than once.

Included: transport by bus and car, accomodation, breakfast, lunch package and dinner. Unbelievable but this amazing adventure trip only costs 2.300 €.
